### It takes a village, but how can the community help?

Both programs require that NEK-CAP, Inc. show matching funds. Community members who want to help can assist us in finding these in several ways:

- ❖ Financial donations to help with housing needs
- ❖ Gifts of 'in-kind': items that we can share with families in our program to help them make their new unit a home
- ❖ Gifts of time: If someone provides a service at a discounted rate or for free, we can count that as matching funds. ie: maintenance time, counseling, mentoring, transportation.
- ❖ For more specific information, see our idea sheet on our website at [www.nekcap.org](http://www.nekcap.org)
